year Reports and return it to us at your convenience. Lastly, please keep in touch with us as we would like to hear from you and discover how the children get on in their new school. Please also ask the school receiving your children to feedback to us. Many thanks.

If you would like a copy please make sure that you leave a note with the Receptionist Ms. Claudia. If you are leaving Cuba and would like a copy please also make sure that you tell us how to get the DVD to you.

For everyone – please encourage your child to keep in touch with his/her learning over the long break – read, write and speak in English and Spanish as much as possible.

Thank you, for all the support during this school year – without parental support the efforts of the teachers are less effective.

HAVE A GREAT WEEK AND A WONDERFUL AND SAFE VACATION - I look forward to seeing everyone again after the vacation ready for a new and challenging school year.

If you are leaving Havana and ISH for the last time – good luck, safe travels and I trust that all will work out well for your family in the future.

We reopen for academic year 2010-2011 on Monday August 23 at the normal time of 8.10 a.m.

From the Yearbook Editors

We would like to apologize as some of the first pages of the Yearbook were printed in black and white by a misunderstanding between us and the printing team. Pages 2 to 7, and 10 -11 should have been printed in full colour like the rest of the yearbook. We were offered to reprint it again, but as there would not enough time before the end of the academic year, we decided not do it.

Please, receive our more sincere apologies for this inconvenience
